Reset Password

1. If you don’t remember the password associated with your MPARS account, **click the Reset Password link** near the bottom of the MPARS sign in screen.

2. Enter your email address and click **Reset Password**.

3. You will be sent an email message with a link. **You must click on the link contained in the email message within 24 hours** in order to complete the password reset process.

4. The email will come from no-reply@state.mn.us with a subject line of: [MNDNR Account Services] Password reset. **Click on the blue link within the email.**
5. Enter your new password twice and click **Update Password**.

![Account Services](image)

6. You should see a My Account screen with your name and a list of DNR accounts you have set up. **Click on the link in the row for MPARS to sign in with your new password.**
